VINITA 5, MUSKOGEE 1.

Pleasant Gentlemen but Were Clearly Outclassed.

Yesterday's game was one to make the fans go wild. The Crooks came up in all the joy and splendor of a recent victory only to have all the starch taken out of them in one of the cleanest and fastest base ball games of the season. When the home boys defeat a team like the Muskogees they deserve all the credit they got.

One of the biggest crowds of local enthusiasts went out to "root" for the best base ball team in the Indian Territory, and they did their part in winning the game.

The game was called at 4 o'clock and the first Muskogee met his fate at first base, being thrown out; the next struck out, and the third hit a little infield ball which was easily fielded to first in time to retire the side.

Vinita came to the bat and succeeded in getting one run. Neither side scored in the second. Vinita added another to their score in the third. From this until the seventh nobody scored. In this Muskogee made their only run. This stirred the home boys up and they went in and made three, closing the run-getting for the remainder of the game.

Below, the Muskogee pitcher, did fine work, but he was "up against it" in this game. Baxter evened the honors in the box for Vinita, and the support the boys gave him was simply perfect as only two of the visitors got as far as second base, and every man on the Vinita team had a chance to show what he could do, and he did it.

Magnificent and exciting plays abounded on both sides. It was hardly ever that a fly ball went to the field without being caught, and in one or two instances foul flies were taken by the catcher at incredible distances from the plate. The only run to the credit of the Muskogees, was on a ball thrown to the third baseman which got from him, and in that case he was knocked down by the base runner, being on his line. By a succession of unfortunate "fumbles," Darby, second baseman of the visitors, might almost be said to have lost the game to his side, and at the same time he was "pizen" with the bat and made the only score they got. All batted balls to be missed by anyone seemed to go his way.

Both pitchers were "up to snuff" and the man who happened to get in the way of one of their balls would certainly remember for some days that he had been somewhere.

The first base work of Ridenhour of the Vinitas was without flaw from start to finish.

SCORE BY INNINGS:

Muskogee: 0 0 0 0 0 0 1 0 0-1
Vinita: 1 0 1 0 0 0 3 0 5

The Vinita team goes to Neosho tomorrow with the intention of putting them on the defeated list.

ANOTHER GAME

The Vinita Mercantiles, or the second team, played Wyandotte yesterday, defeating them by a score of 11 to 10. Harlan, the "hero" of Miami, pitched for Wyandotte.

Watch for a Chill.

However slight at this time of year and in this climate, it is the forerunner of malaria. A disposition to yawn, and an all tired out feeling even comes before the chill. Herbine, by its prompt stimulative action on the liver drives the malaria germs out of the system, purifies the blood, tones up the system and restores health. 50c at People's drug store. dw

Eighty-Five Guests Entertained.

The party given by Misses Mamie and Sweet Hunt and their brothers, Nat and Tot Hunt, was one of the largest affairs ever given in Vinita. There were about eighty-five guests present and all were royally entertained. Delicious refreshments of cream, cake and punch were served.
